CHILOTA Home Care Foundation on Monday extended its Meals on Wheels outreach to 60 homebound aged and vulnerable persons across the five Ebos of Asaba.

Anchored on its mandate to be a health solution for our community and to Keep Hope Alive the Foundation delivered nutritious meals directly to homes, offering not just nourishment, but companionship and dignity to those unable to leave their homes due to age, illness or disability.

Beneficiaries, including Mrs. Ejime Nwanze and Mr. Felix Obiakpani, expressed profound gratitude, offering prayers for the Foundation and goodwill to its Founder, Obi Agbogidi Chukwuemekalim Onyemanaogame Ajufoh, his wife, Obi Nwanyi Adamma Ugoebenaja Ajufoh, and their children.

The outreach was executed by volunteers in CHILOTA-branded orange tees, covering all five Ebos to ensure no corner was left behind.
