CHILOTA Foundation Debuts in Asaba

CHILOTA Foundation kicked off on Thursday, August 13, 2026.

The NGO started its program with meals on wheels to all the five Ebos in Asaba.

40 persons who were homebound received nutritious meals in their respective homes.

Recipients were all pleased and grateful. They rained prayers, blessings and praises for the Foundation.

To God be the glory for the successful visits. At least, we gave them a moment to smile.
